ORDER

VALERIE CAPRONI, United States District Judge:

WHEREAS trial in this case is tentatively scheduled to commence on **July 26, 2021 at 10:00 a.m.;**

IT IS HEREBY ORDERED THAT: In light of the CDC's announcement dated May 16, 2021, that fully vaccinated people can remove their masks indoors, the Court strongly urges all lawyers and parties to get vaccinated as soon as possible. Although the Southern District of New York has not yet changed its mask requirements, it is conceivable that the requirements will change by the time this case begins trial so that persons who have been vaccinated need not be masked in court.

SO ORDERED.
